LEED Certification Data

RE: Dynaflex SC Urethane Sealant – LEED Product Information

To Whom It May Concern:

We at Pecora are totally committed to developing customer-valued adhesive, sealant and waterproofing solutions. Our focus is directed toward continuous improvement, superior quality and exceptional service.

Pecora Dynaflex SC Urethane Sealant is manufactured in Harleysville, Pennsylvania. If Harleysville falls within a 500-mile radius of the project site, the product is considered to be a locally produced material and can help contribute to earning Material Credit 5.

The information presented here is the extent of the product information that can be disclosed. The "extraction and/or harvest point" of specific product components is variable.

Pecora Dynaflex SC Urethane contains 14 g/L volatile organic content (VOC) and therefore satisfies the LEED criteria for Low-Emitting Materials Standard Credit 4.
LEED Criteria for VOC content of sealant and adhesive products as defined by:
SCAQMD Rule # 1168 <250 g/L
BAAQMDR Reg. 8 Rule 51 <250 g/L

Should you have any questions or require additional information, please do not hesitate to contact me at 215-799-7520.

Sincerely,

Roy D. Cannon, Jr.
Technical Service Director
