

## **LEED Certification Data**

RE: 7HR4 – LEED Product Information

To Whom It May Concern:

We at Pecora are totally committed to developing customer-valued adhesive, sealant and waterproofing solutions. Our focus is directed toward continuous improvement, superior quality and exceptional service.

Pecora 7HR4 is manufactured in Harleysville, Pennsylvania. If Harleysville falls within a 500-mile radius of the project site, the product is considered to be a locally produced material and can help contribute to earning Material Credit 5.

Pecora 7HR4 Mastic contains 260 g/L volatile organic content (VOC) and therefore satisfies the LEED criteria for Low-Emitting Material Standard Credit 4.

LEED Criteria for VOC content of sealant and adhesive products as defined by:  
SCAQMD Rule # 1168 <420g/L

Should you have any questions or require additional information, please do not hesitate to contact me at 215-799-7520.

Sincerely,
