

LEED Certification Data

To Whom It May Concern,

We at Pecora are totally committed to developing customer-valued adhesive, sealant and waterproofing solutions. Our focus is directed toward continuous improvement, superior quality and exceptional service.

Pecora Klere-Seal 940-S VOC is manufactured in Harleysville, Pennsylvania. If Harleysville falls within a 500-mile radius of the project site, the product is considered to be a locally produced material and can help contribute to earning Material Credit 5.

The information presented here is the extent of the product information that can be disclosed. The “extraction and/or harvest point” of specific product components is variable.

Pecora Klere-Seal 940-S VOC contains 400 g/L volatile organic content (VOC) and therefore satisfies the LEED criteria for Indoor Environmental Quality Credit 4.

Model Rule AIM STAPPA

2.63 Waterproofing Concrete/Masonry Sealer: A clear or pigmented film-forming coating that is labeled and formulated for sealing concrete and masonry to provide resistance against water, alkalis, acids, ultraviolet light, and staining.

Waterproofing Concrete/Masonry Sealers

400 g/L
