

LEED Certification Data

Product: Weatherclad Elastomeric Acrylic Wall Coating – LEED Product Info.

To Whom It May Concern:

We at Pecora are totally committed to developing customer-valued adhesive, sealant and waterproofing solutions. Our focus is directed toward continuous improvement, superior quality and exceptional service.

Pecora Weatherclad is manufactured in Conshohocken, Pennsylvania (19428) and Sarasota, Florida (34240). If either of these locations fall within a 500-mile radius of the project site, the product is considered to be a locally produced material and can help contribute to earning Material Credit 5.

The information presented here is the extent of the product information that can be disclosed. The “extraction and/or harvest point” of specific product components is variable.

Pecora Weatherclad contains 100 g/L volatile organic content (VOC) and therefore satisfies the LEED criteria for Low-Emitting Materials Standard Credit 4.

LEED Criteria for VOC content of paints and coatings as defined by:
SCAQMD Rule # Rule 1113 <250 g/L

Pecora Weatherclad contains 0% recyclable content.

Should you have any questions or require additional information, please do not hesitate to contact me at 215-799-7520.

Sincerely,

A handwritten signature in black ink, appearing to read 'Roy D. Cannon, Jr.' with a stylized flourish at the end.
