### **PRIMER COVERAGE CHART**

Based upon average of 100 square feet per gallon, the following chart gives primer coverage for all Pecora primers. The width of the joint is not needed for this determination.

<b><u>Joint Depth, inches</u></b>	<b><u>Primer Coverage, lineal feet<sup>1</sup></u></b>	
	<b><u>One Gallon</u></b>	<b><u>One Quart</u></b>
1/4	2,400	600
3/8	1,800	450
1/2	1,200	300
3/4	900	225
1	600	150

<sup>1</sup> Lineal foot coverage includes both sides of expansion joint.
