

**Build America, Buy America Act (BABAA) Compliance
Overview: Approved vs. Non-Approved Products**

BABAA compliance refers to meeting the provisions outlined by the Build America, Buy America Act (BABAA), Title IX of the Infrastructure Investment and Jobs Act (IIJA; P.L. 117-58), requiring federally funded infrastructure projects to procure specified construction materials and manufactured products from domestic sources.

Compliance significantly impacts eligibility for federal funding, regulatory conformity, promotion of U.S. manufacturing, and overall economic advancement by fostering increased domestic production.

Pecora products have been assessed for compliance with BABAA based on criteria set forth for "Construction Material Domestic Content" and the domestic manufacturing threshold, evaluated according to the percentage cost of U.S.-sourced materials.

As per the "Federal Acquisition Regulation: Amendments to the FAR Buy American Requirements" dated March 7, 2022, the domestic content threshold for manufactured goods classified as "domestic end products" increased incrementally: from 55% to 60% effective October 25, 2022, rising further to 65% in 2024, and anticipated to reach 75% by 2029 (Federal Register).

Below is a detailed listing of Pecora products indicating their respective BABAA compliance status, determined by a minimum domestic material content threshold of 65%.

Product Name	BABAA Compliance - Yes/ No
<i>Pecora 300 SL</i>	Yes
<i>Pecora 301 NS</i>	Yes
<i>Pecora 322FC</i>	No
<i>Pecora 860</i>	Yes
<i>Pecora 864NST</i>	Yes
<i>Pecora 890FTS</i>	Yes
<i>Pecora 890NST</i>	Yes
<i>Pecora 895NST</i>	Yes
<i>Pecora 896FC</i>	Yes
<i>Pecora 896-TBS</i>	Yes
<i>Pecora 898NST</i>	Yes
<i>Pecora AC-20® +Silicone</i>	Yes
<i>Pecora AC-20® FTR</i>	Yes
<i>Pecora AIS-919</i>	Yes
<i>Pecora AVB</i>	Yes
<i>Pecora AVW-920</i>	Yes
<i>Pecora BA-98</i>	Yes
<i>Pecora BC-158</i>	Yes
<i>Pecora-Deck HB1000</i>	Yes
<i>Pecora-Deck HB1100-SA</i>	Yes
<i>Pecora DynaThane 800HM</i>	Yes
<i>Pecora DynaThane 800MM</i>	Yes
<i>Pecora Dynatred®</i>	Yes
<i>Pecora Dynatrol II</i>	Yes
<i>Pecora Dynatrol II SL</i>	Yes
<i>Pecora Dynatrol® I-XL Hybrid</i>	Yes
<i>Pecora PCS</i>	Yes
<i>Pecora Sil-Span</i>	Yes
<i>Pecora Urexpan NR-201</i>	Yes
<i>Pecora XL-FLASH</i>	Yes
<i>Pecora XL-Perm Ultra NP</i>	No
<i>Pecora XL-Perm Ultra VP</i>	No
<i>Pecora XL-SPAN</i>	No
<i>Pecora Synthacalk GC2+</i>	No
